WESTERLY

Westerly physicians are busied all the time giving attention to the sick, seme going beyond their endurance limit and enforced to rest in consequence, while some are ill with the disease, and directing the care of patients while they themselves are in bod. The superintendent of health is in consultation with other physicians frequently planning to check the spread of the disease and every known precaution is being taken.

Two days ago orders were issued to discontinue the use of soda water fountains, and Friday all liquor salions were ordered closed until further notice. The barbers have been requested to wear masks while at work on patrons, and all who are caring for the sick have also been required to wear the regulation muslin

LEDYARD

The first fair that Ledyard has held was at Ledyard Center Saturday, Sept.

25, and was called a school fair, because the children of the different schools in town were the exhibitors.

There were vegetables galore. Some of them would be close competitors with those shown at the courty fair. These would be close competitors with those shown at the county fair. These were all raised or helped raised by the school children. Nearly every kind of wegetable grown in this vicinity was exhibited. There was also livestock and poultry shown. George Blatherwick and Leslie Holdridge exhibited Berkshire hogs. It was a proud day for the little folks as they went home carrying their blue cards.
